Chairman

'Education is the passport to the future, for tomorrow belong to those who prepare for it today.'

It gives me immense pleasure and a sense of satisfaction to acknowledge the part Scholar Mission plays in strengthening our tomorrow. The children of today are the torchbearers of our future. Education is the tool that provides them with the light and leads them on the right path. Here, at Scholar Mission, we aim to equip our children with the right tools for a brighter future. Scholar Mission is a breath of fresh air for "Generation Next". We have turned the classroom into a vibrant stage where effervescent children love to perform.

We cater to the specific need of each child. Education is not teacher centric any longer, a teacher is not an instructor but a facilitator in a true sense.

VISION

To provide best quality education for our future leaders.

MISSION

Scholar Mission School aims to provide a liberal, diverse and world-class environment in which each student discovers and realizes his or her full potential. It focuses on values of ethics and culture, courage and fair play sans any discrimination based on caste, creed, race, religion or social status.
